

COUTURE FABRICS
ANDROMEDA

Andromeda is a striking and contemporary design that elicits movement and excitement. The pattern has been known to evoke references to the Solar System and Astronomy.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
