

COUTURE FABRICS
ARTEMIS

Artemis is a delicate pattern of intertwining stems and jewel-like flowers. It is a great display of creative skill and fine workmanship.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
