

Audrey is a contemporary design inspired by the Modernism movement of the 1960s. An abstract pattern made from applied fabrics and fine beads. This design is linear in feel, with a subtle elegance.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
