

COUTURE FABRICS  
CAPRICCIO

Capriccio is a flamboyant design in an early 18th century style. It depicts ornately framed vases of flowers, delicately adorned with seed pearls and crystals.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
