

COUTURE FABRICS
DARIUS

Darius is inspired by the tapestries of the Ottoman Empire. The embroidery is richly worked with elaborate details. The design works as a leading edge on curtains or can be used on the back of dining chairs or on scatter cushions.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
