

Fontainebleau is an intricate and detailed design of museum quality. Vases of cascading flowers and plants delicately fall and loop together, creating an interwoven and exquisite pattern. The pattern is embellished with small crystals and freshwater pearls.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
