

COUTURE FABRICS
MONTANO

Montano evokes the bold and decorative modernism of the Twenties. The elegant framed panel comprises a fan (a very popular decorative motif of the era) and geometric shapes, applied in velvet and contrasting silks.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
