

COUTURE FABRICS
OCTAVIA

Octavia is a pretty pattern reminiscent of an English countryside. Cornflowers and Rosehips grow from circular structures around the leading edge of this design, while the inner pattern contains scattered flower heads and buds. This design was based on an English Rococo dress silk from the 18th century.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
