

Oscar is an elegant leading edge pattern depicting gently swaying grasses that intertwine. It creates a pattern that is both delicate and ethereal in nature. Hand embroidered with antique gold thread and embellished with tiny pearls and beads.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
