

COUTURE FABRICS  
OTELLO

Otello is a trellis design, reminiscent of the patterns used in Moorish architecture. The embroidery is done using a 'chain mail' technique in thick, antiqued silver and gold threads.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
