

COUTURE FABRICS
PIET

Piet is a stunning abstract pattern made up of angular lines, rectangles and semicircles. Inspired by the Art Deco era of the 1920s, Piet is a bold design-led embroidery best shown off in strong contrasting colours. The pattern can run down the leading edge of curtains or adorn cushions or chair backs.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
