

Sandro is an elegant leading edge border design, reminiscent of the scrolling lines found on the façade of Roman architecture. Small flowers and fig leaves finish off this elegant understated pattern.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
