

COUTURE FABRICS
SEVILLA

Sevilla is a unique design with a strong 1930s feel. Delicately applied flowers and beaded leaves grow from the embroidered contours of the background fabric. Each flower is adorned with a beautiful semi-precious stone.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
