

An elegant Georgian design inspired by the brocade silks fashionable in 1740s London. A combination of richly coloured threads with strands of antique silver. It consists of delicate cornflowers, rosehips and wild strawberries twisting together and climbing up the fabric.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
