

COUTURE FABRICS
TOSCA

An intricate design in crystals and seed pearls, evoking the Egyptian revival style of the Art Deco era. Combining the stylised angularity of the period, with the sophisticated glamour of the fashion.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
