## TRAFALGAR WALL LIGHT

BEAUMONT & FLETCHER  
INTERIOR ATELIER

An unusual two-branch wall light in the typical exuberant style of the High Regency period. It has a round, carved, porthole mirror surmounted by a clutch of arrows and a triumphant eagle.

Our lights are made by skilled artisans. The unique range of highly decorative lights is created by hand using traditional materials, carved wood, wrought iron, and gilding with subtle patination.
