

COUTURE FABRICS  
TUANA

Tuana is an elegant and exotic leading edge design based on classic Persian motifs. Plants climb and entwine, forming a lovely leading edge design. The flowers and leaves are embroidered in various shades of gold to create a beautiful texture, and iridescent shine.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
