

COUTURE FABRICS
TURANDOT

Turandot is a pretty design featuring delicate flower heads within curving bands of foliage. Each flower is exquisitely jewelled with small crystals and beads to create a highly detailed and elegant work of art.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
