

COUTURE FABRICS
XERXES

This rich detailed design is strongly influenced by complex patterns from 17th century Ottoman tapestries. The large scale stylized motifs are highlighted using a variety of techniques and metallic threads.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
