

The inspiration for Zola was taken from the Baroque period. With its column of mirrored column of embroidery in fine needlework, this cushion design pays homage to the skilful artistry of our workshop.

Our Couture cushions are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones.

Each pattern can be coloured and designed to fit your needs. We can embroider onto almost any background fabric, including silk, velvet, organza and even leather.
