

Zola features two main columns of beautiful mirrored embroidery. The pattern is inspired by the Baroque period and uses fine needlework to show off the skilful artistry of our workshop. This design can also be used to produce an elegant leading edge pattern for curtains and bedspreads.

Our Couture fabrics are bespoke and hand embroidered to order. They can be created in fine gold or silver silk thread and embellished with freshwater pearls and semi-precious stones. Each pattern can be coloured and designed to fit your needs. We can embroider onto any background fabric including: silk, velvet, organza and leather.
