BEAUMONT & FLETCHER

‘LOVE OF BEAUTY
IS TASTE.

CREATION OF
BEAUTY IS ART’

Ralph Waldo Emerson

These unique cushions, embroidered entirely by hand are truly works of art. The cushions are Beaumont & Fletcher's latest addition to their extraordinary range of bespoke fabrics and accessories.

Passion and workmanship combine to create this stunning collection embroidered in silk, gold and silver thread, freshwater pearls, crystals and semi precious stones.

Shown here is a range of designs, all of them are available in bespoke colours, special sizes and with a choice of trimmings.

We can also create beautiful bespoke designs at your request.
