INTERIOR ATELIER

‘LOVE OF BEAUTY
IS TASTE.
CREATION OF
BEAUTY IS ART.’

Ralph Waldo Emerson

Our collection of handmade cushions are to be seen and loved as true works of art. Each cushion is embroidered entirely by hand incorporating lavish stitches, beadwork, semi-precious stones, fresh water pearls and gold and silver thread. All, are the most exquisite examples of traditional highly skilled intricate craftwork that culminate in designs relevant for today's interiors.

Shown here we have a collection that will bring a story to every room - be that one of drama, vibrancy and modernity or a quietly elegant vignette of classical design.

Each piece is available in bespoke colours, sizes and with a choice of trimmings.

We also create beautiful bespoke designs at your request.
