## GENERAL

The following terms and conditions apply to every offer, quotation, acceptance and contract for the supply or sale of goods by Beaumont & Fletcher Ltd. No change to these terms and conditions shall be deemed to be part of the contract unless agreed to in writing by Beaumont & Fletcher first.

Your statutory rights are not affected by these conditions.

## PAYMENT

A non-refundable deposit of 50% of the order value and 100% payment for non-Beaumont & Fletcher goods is required at the point of order. The full price must be paid and cleared prior to delivery.

Fabric orders are payable in full at the point of order.

All prices are inclusive of VAT unless otherwise stated and can be paid via all major debit and credit cards.

## TRADE ACCOUNTS

Beaumont & Fletcher reserves the right to deny opening a trade account or remove a trade status at any time. Trade accounts will be opened on a pro-forma basis.

## PRICING

Beaumont & Fletcher Ltd reserves the right to change prices if they deem it necessary on all orders and quotes at any time.

Prices given over the phone and on our price lists are for guidance only, and will vary depending on the exact requirements.

All prices shown on the website and in brochures are inclusive of VAT.

Delivery charges are clearly highlighted in quotes and invoices.

## MINIMUM ORDER QUANTITY

- Fabric: 1m
- Couture cord, tape and fringe: 5m
- Couture cord with flange: 25m

## LEAD TIMES

The time required to create a product is dependent on complexity and quantity, and can vary from month to month. Approximate lead-times will be quoted on every order, but can sometimes change beyond our control. Any promise made, whilst done so in good faith, is not guaranteed and we shall not be liable for the consequence of a delay. Intermediary agents shall be deemed to be the agent of the purchaser.

Title and risk of the goods shall only pass to the customer on delivery.

## STORAGE

If the customer does not accept delivery on the delivery date agreed, then Beaumont and Fletcher may replace the goods in storage, and charge the customer the costs of storage.

## DELIVERY

Delivery is an additional charge, which is clearly highlighted in quotes and invoices, and subject to change due to fluctuating transport costs.

## CUSTOMS AND INTERNATIONAL ORDERS

VAT is zero-rated for exports only if the full itinerary is confirmed in advance and export proof is provided within 3 months of dispatch. Without this, VAT will be charged. Customers are responsible for all customs and import/export regulations in their country.

## ACCEPTANCE OF GOODS

It is the responsibility of the customer to ensure suitable access for larger

goods, such as furniture. If a bespoke item does not fit on delivery the customer will still be charged. Beaumont & Fletcher is unable to accept any such item back.

It is the customer's responsibility to advise of any potential access issues so that suitable plans can be put in place.

The delivery charge does not cover the removal of any doors or windows to allow the free passage of the goods to a certain location.

If packaging shows signs of damage it must be noted on the delivery slip.

All goods must be unpackaged and checked within 48 hours and any damage notified in writing immediately along with images. In the case of any damage the customer must not discard the packaging.

Where the customer accepts or has been deemed to accept any goods, Beaumont & Fletcher will have no liabilities in respect of those goods.

The customer shall be deemed to have accepted the goods following successful delivery.

## EX-DISPLAY SALE

Items purchased in a sale as part of our ex-display are sold as seen and are non-returnable. By completing the purchase, the buyer acknowledges that the item may show signs of wear or minor imperfections and agrees that no exchanges, returns or refunds will be accepted.

## PRESENTATION OF FINISHED GOODS

Due to the handmade nature of our products, all items are unique and may differ slightly from the items shown in terms of both colours and size.

It is not always possible to achieve exact precision of measurements and we expect a certain degree of tolerance.

All sizes are approximate and sometimes colours can vary visually due to photographic means and other online publishing processes.

It is the responsibility of the purchaser to check suitability before placing an order.

Reasonable allowance must be made for any slight difference in the finished product.

Fabric colours may vary from batch to batch. For a perfect colour match we suggest a client orders a cutting for approval.

## CUSTOMER'S OWN MATERIAL

We cannot take responsibility for the suitability or condition of fabrics supplied by customers. We do not guarantee the detection of any fabric defects and assume that quality control has been conducted before the fabrics are provided to us.

The required fabric quantity is only an estimation. If you are supplying third party fabric, please note additional fabric may be necessary.

We recommend purchasing or reserving additional quantity of the same batch in case variations in pattern alignment add/or fabric width leads to shortage.

## OWNERSHIP

Title to, and ownership of the relevant goods remain the absolute and unencumbered property of Beaumont & Fletcher Ltd, until payment in full is received.

## LIABILITY

All goods are supplied by us on condition that our liability for any fault or defect in the quality, condition description or fitness for any purpose, is limited in amount to the sum not exceeding the purchase price of the goods.
